

# HOPE'S CREEK

## Retirement & Assisted Living

### **Pet Policy**

- **Pets less than 20 lbs. (unless prior approval is made by administration) are allowed.**
- **Service animals (including emotional support animals) are allowed with supporting documentation from a licensed physician.**
- **Pets are not allowed in common dining areas, storage areas, food preparation areas or common serving areas.**
- **Pets shall not present a danger to residents, staff or guest and shall have current inoculation and license on file at the facility. Inoculation records must be updated annually by a veterinarian.**
- **Residents are solely responsible for the behavior of their pets. Barking, odors associated with pet waste, feeding, grooming and general care. If resident cannot properly care for their pet they will be notified with one warning and if the behavior continues the pet will need to be removed.**
- **If a resident cannot care for the pet temporarily, a family will be notified and the pet must be removed from the facility until the resident can reassume care.**
- **When outside the resident's room, the pet must always be kept on a leash.**
- **A pet deposit of \$250.00 is required at the time which the pet enters the facility.**
